Hoek Holsteins

Ran by the VanderHoek families in Agassiz, British Columbia. They have 6 GEA mono boxes to milk their cows, a WeCover Clearspan barn and use sand bedding.

Sponsored by: Lactanet Canada

Deerfield Colony

Ran by Andy and Paul Waldner in Margrath, Alberta. The dairy has built a new barn and includes a lot of new technology to work with.

Sponsored by: TD Agriculture Services

Robella Holsteins

Ran by the Lindenbach family in Balgonie, Saskatchewan. They have built a new barn and made the transition from a tie stall barn to a state-of-the-art facility with Delaval milking robots. The herd has transitioned well and so did the family learning to work with new technology.
